EXAMINER'S AMENDMENT

Acknowledgment is made of the amendment filed on October 19, 2007. Claims 1-8, 13-19, 25, 26, and 28.

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Brian Dutton on November 17, 2007.

The application has been amended as follows:

IN THE CLAIMS:

in claim 13, line 4, substitute "any" with --a--.

Allowable Subject Matter

2. Claims 1-8, 13-19, 25, 26, and 28 are allowed.
3. The following is an examiner's statement of reasons for allowance: the prior art of record fails to teach or fairly suggest either alone or in combination thereof:

an electronic money system comprising:

an electronic money terminal;

an alternate account reading element for reading account information for an alternate account at the electronic money terminal;

an alternate account querying element for querying a management computer having information on the alternate account for accepting or denying use of the alternate account to credit an information storage unit or portable electronic device; and

an alternate account crediting element for crediting the information storage unit or portable electronic device based on the alternate account querying element.

The instant application is a continuation of application no. 09/580,542 having a filing date of May 30, 2000. No art claiming an effective filing date prior to May 30, 2000 is known that reads upon the claimed invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
